COMMODITY CREDIT CORPORATION

REIMBURSEMENT FOR NET REALIZED LOSSES

For an additional amount to reimburse the Commodity Credit Corporation for net realized losses sustained, but not previously reimbursed, pursuant to the Act of August 17, 1961 (15 U.S.C. 713A-11, 713A-12) $4,000,000,000.

This proposal would provide funds to enable the Commodity Credit Corporation (CCC) to continue to finance its program obligations under current law. This increase is necessary due to a record demand for commodity loans, direct product payments, and dairy product purchases. This proposal would not affect fiscal year 1986 outlays.
